**A Buggy Ride.
Is It a Pleasure?**

That depends largely upon the vehicle in which the ride is taken. If the vehicle is old, if it rattles and jars, and if the draft is heavy, much of the pleasure is lost. But if it has the ball bearing axles, rubber tires, patent springs and other improvements of the HIGH GRADE, UP-TO-DATE vehicle, then it is a pleasure indeed.

We are showing a new line of High Grade Bike and Pneumatic Buggies, Runabouts, Traps, Phaetons, Surreys, Speeding Carts, Brakes, etc. Also a full line of Harness, Whips, Robes, Lamps, Rugs, Shades, etc.

Rubber Tires

We have added to our equipment a complete RUBBER TIRE outfit and are now prepared to put on all sizes of Rubber Tires. New Channels and Rubbers put on, or old Channels re-rubbed. We use the "KELLY-SPRINGFIELD" TIRE (two wire), the best and most satisfactory tire made.

Rodriguez Estate Again in Court—
Estate of the Ulbrecht Minors
—John Umi's Property.

In the Rodriguez estate, which has recently occupied the attention of Judge Humphreys, a petition for the appointment of J. Alfred Magoon as trustee under the will has been filed by the heirs. They also ask that Magoon be appointed guardian of the minor children, Annie and Simon Rodriguez. The late Antonio Rosa was the former trustee, and Judge Humphreys in recently settling his final accounts severely criticized his administration of the estate, it having been shown that Rosa had been very negligent in his management of the estate.

The inventory filed in the matter of the estate of the Ulbrecht minors shows personal property of the value of \$69.20 and a lot of land and dwelling at Hekio, Waikiki. Mrs. Ulbrecht as guardian of the minors, has petitioned the court for the sale of the real estate, alleging that it is necessary for the support and maintenance of the minors that the sale be made. An order to show cause why the realty should not be sold has been made.

In Judge Humphreys court the petition of Amelia Perry for the appointment of a temporary administrator of the estate of John Umi was heard. Chris. J. Holt was appointed temporary administrator under bond of \$800.

**The Electric Road
Up Pacific Heights**

Electric Plant at the Tower House
Was Officially Tested Yesterday and Accepted.

The engines and dynamo in the Pacific Heights Electric Car Company's power house were officially tested yesterday and found to be in perfect condition. The machinery worked very satisfactorily and without jarring or heating. Quite a current was generated and C. S. Desky, manager and one of the owners of the plant, expressed himself as well satisfied with the test. Mr. Desky stated that the road would be running up Pacific Heights within two weeks at the latest.

The trucks for the cars have not arrived as yet, but they are expected on the Australia. After they arrive it will take a week to get things into shape.

The value of this road is appreciated by people who own lands up beyond Pacific Heights, up Tantalus way. It is said that L. A. Thurston has made Mr. Desky a tempting offer if he will extend the road to Tantalus. Mr. Desky, however, says that he will never build another railroad. Such is his notion at present, at least, and it is safe to predict that Pacific Heights will be the terminus of the line for several years. The new line starts at Panoa Lane and runs up to Pacific Heights. It will ultimately connect with the Rapid Transit Company.

IN THE SUPREME COURT.

The Carson Collision Case Consumed
Most of Yesterday.

The Carson collision case occupied the attention of the supreme court the greater part of yesterday morning. Mr. Neumann concluded his argument and the case was taken under advisement.

The supreme court also heard arguments on a motion to dismiss in the case of Hackfeld vs. Wilson, which matter was also taken under advisement.

George Rodiek in Town.

George Rodiek, who on Thursday retired from the management of the Hilo branch of H. Hackfeld & Co., Ltd., arrived on the Kinau yesterday and will leave for the mainland on the Coptic, en route to Germany, on a visit. He will be absent about six months. During the past ten days Mr. Rodiek has been the recipient of many social attentions, having been dined by his business friends and associates until he is a fit subject for the ravages of indigestion, say the Hilo papers. He leaves Hilo with the best wishes of the community and a soft spot in his heart for Hilo.
